Relaxing treatments

Indulge the senses, relax the mind and elevate skin health with a Medik8 in clinic professional treatment – the ultimate path to a flawless, radiant complexion. Carefully created to rejuvenate the skin while melting away everyday tension, each treatment provides intensive relaxation plus visible results you and your friends will notice.

You can be sure that no matter which treatment you choose, you will love what you see.

Danné Montague-King claims that the origin of any skin condition is disharmony in the natural way the skin functions. Therefore, the DMK concept is simply about restoring balance and enhancing optimal skin function. Regardless of your ethnic background, gender, age or skin condition, DMK offers you an effective skin revision program.

Million Dollar Facial is exactly that, The A list go to glow facial, a favourite for A list celebrities like Kim Kardashian and Jenifer Lopez.

Working your skin from the outside in, this luxurious facial combines two key techniques Dermaplaning and Micro Needling to deeply exfoliate days of dead skin cells and remove soft vellous hair leaving the skin powerfully polished.

Medik8 facials

Platinum lifting & brightening Facial

DMK Facials

Enzyme therapy

1 hour 15 mins £70

This is the incredible “Plasmatic effect” from DMK’s unique Oxygen Therapy. You can actually see the capillaries opening up, pumping more blood, oxygen & nutrients into the skin, as well as carrying away impurities. Real Oxygen Therapy from the inside out!

You have to see it to believe it.

DMK’s botanical-based paramedical products work on all skin types. Enzymes are nature’s own biological catalysts, which hydrolyse dead skin cells.

DMK Skin products are transdermal. They use chemistry that the skin recognises, which allows them to penetrate into the deeper layers of the skin. Skin tightening and toning is noticeable after the very first treatment.

Million Dollar

MILLION DOLLAR FACIAL

£110

Starting with Dermaplaning. This will exfoliate the skin and remove soft 'fuzzy' hairs from the surface.

Ice globes are then used to provide a lymphatic drainage massage and sooth the skin prior to the micro needling. The micro-needling process stimulates your natural collagen in order to rejuvenate skin, minimise the appearance of large pores and reduce fine lines and wrinkles. As well as this micro-needling can also repair irregularities such a scarring and hyper pigmentation.

After micro-needling it is time to hydrate the skin. We use hyaluronic acid to penetrate and restore the skin.

With smooth, hydrated skin, you will leave feeling a Million Dollars.

MICRONEEDLING

A state-of-the-art, medical grade digital pen device created to improve the appearance of fine lines, wrinkles and scars on the body and face. The microneedling treatment, also known as Collagen Induction Therapy, initiates the body's wound-healing process by delivering thousands of micro-injuries to your skin. Microneedling creates thousands of controlled micro-injuries in the skin to trigger the body's wound-healing process.

Encouraging the body to produce new collagen and elastin, which results in more youthful, smoother and tighter looking skin.

Amazing results including:

- Increased tightening of the skin
- Reduced wrinkles and fine lines
- Diminishing of acne scars
- Skin tone and pigmentation

Microneedling £75

Recommended to have a course of 3-6 treatments for best results.

Microneedling & Dermaplaning £89

Includes dermaplaning to enhance the effect of microneedling and give instant glowing results.
